OPTIONS 2017

Dear Parents/Guardians

I am writing to inform you of the latest curriculum developments on offer at the school. We are proposing a three-year Key Stage 4 which would involve your son/daughter choosing their GCSE choices in the summer term of Year 8.

This change has been brought about in response to the rigor and challenge posed by the new GCSE qualifications. The school will be providing specific IAG (Information, Advice and Guidance) in order to ensure your child makes the right decisions.

I am hoping to hold a Parents Evening on Tuesday 2nd May 2017 where I will present the Option choices available.

In preparation for the choices that your child will need to make can I please encourage you to discuss carefully with your child any career aspirations, favourite lessons and any particular skills they may possess.

I will send a reminder letter in the summer term; in the meantime if you have any questions you would like to ask please don't hesitate to call the school to speak to me or to your child's form tutor.

Yours sincerely,

D Andrews

Mr. D Andrews
Assistant Headteacher
