OPTIONS 2017

Dear Parents/Guardians,

As I am sure you realise, this is an important time for all Year 8 students because decisions have to be made about the subjects they wish to take in Years 9, 10 and 11. The school organises a full Option Guidance Programme which supports the students in making their choices.

A key event is the **Year 8 Options Evening** which takes place on **Tuesday 2nd May 2017 starting at 4.30 pm**. For subject areas where choices have to be made, staff will be available between 4.30 pm and 6.30 pm to explain and discuss the nature and requirements of their courses. At 6.00pm there will be a presentation in the Hall which will explain the Key Stage 4 curriculum with details given about the ranges of courses available, the choices that have to be made and the combinations that are possible.

In preparation for this event a copy of this year's Option Booklet can be found on the school website. If you would like a hard copy please contact the school and we will provide you with one. We would recommend this is thoroughly reviewed with your child so any questions you may have can be addressed on the evening.

After the option choice forms have been completed on **Friday 5th May 2016**, students can discuss their choices with their tutor if they need to. If there is a problem with any choices made guidance will be given as to how it may be overcome. If you require any further details, please do not hesitate to contact me at school.

Yours sincerely,

D Andrews
