

ERCALL WOOD TECHNOLOGY COLLEGE

A FOUNDATION SCHOOL

Headteacher: Chay Davis

Excellence through challenge and initiative

08 September 2017

Dear Parent/Carer

Year 11 Parents' Strategy Evening Wednesday 20th September 2017 between 4.30pm – 7.30pm - Online Appointment Booking

I would like to invite you to attend our Year 11 Strategy Evening on **Wednesday 20th September 2017**. This is a very important evening that provides you with an opportunity to meet with your child's subject teachers who will discuss with you the ways in which both parent and school can together fully support your child in their final academic year. During the evening, we will be issuing a free support pack and there will also be an opportunity to purchase revision guides and other support material.

We are offering a range of support sessions such as breakfast sessions, after school sessions and holiday sessions this academic year that your child can access. We value your ongoing support as concerned parents/carers and strongly recommend that you attend the event so that you are fully aware of the support and resources that are available to your child.

Our recent exam analysis shows that regular attendance to the sessions last year had a significant improvement on the progress of those children that attended.

The school online appointment booking system allows you to choose your own appointment times with teachers. You will receive an email confirming your appointments which can be printed off providing you with a schedule for the evening.

Appointments can be made now and will close on Tuesday 19th September 10:00pm. Should you wish to make any changes after this date please contact the school office on 387300.

Please visit <https://ercallwood.parentseveningsystem.co.uk> to book your appointments.

If you do not have access to the internet, please contact the school office who will be happy to add appointments on your behalf.

Yours sincerely

Mrs L Fraser
Assistant Headteacher
