Pathways 2018

Dear Parents/Guardians,

As I am sure you realise, this is an important time for all Year 8 students because decisions have to be made about the subjects they wish to take in Years 9, 10 and 11. The school organises a full Guidance Programme which supports the students in making their choices.

A key event is the **Year 8 Pathway Evening** which takes place on the revised date of **Monday 19th March 2018 starting at 4.30 pm**. For subject areas where choices have to be made, staff will be available between 4.30 pm and 5.30 pm to explain and discuss the nature and requirements of their courses. At 5.30pm there will be a full presentation in the Hall from all Pathway subject leaders which will explain the Key Stage 4 curriculum with details given about the ranges of courses available, the choices that have to be made and the combinations that are possible.

In preparation for this event I would like your son/ daughter to complete an online survey indicating what subjects they have an interest in at this stage. The real decision making will happen in March after the Pathways Evening event. It is merely an opportunity to gauge what subjects are of interest to our Year 8 students.

The link is available here <https://www.surveymonkey.co.uk/r/NY2G2BQ> please complete and I look forward to seeing you on Monday 19th March 2018.

A copy of this letter will appear in the **Options** section on the school website.

Yours sincerely,

D Andrews
