Dear Parent / Carer

As you are aware at Ercall Wood we have in place a supportive and robust intervention and revision programme for our Year 11 pupils, helping and supporting them within their GCSE exam preparations.

Nothing beats hard work, determination, dedication and organisation and we continue to encourage our Year 11 pupils to embrace these additional opportunities, become motivated and put these vital tools into place all of which will lead to improvement, developed knowledge, understanding exam techniques and feeling better prepared.

As the exams are fast approaching we want to support every one of our Year 11 pupils as much as we are able to and therefore we are running additional intervention, revision and exam preparation sessions during the Easter holidays.

We are pleased to confirm the offer of a number of additional sessions over the Easter break. Please can you tick the sessions your son / daughter will be attending? It is vital that we have forms completed and returned promptly so that staff can plan the sessions appropriately. Once completed, please can you return the form to either Mrs K Meiklejohn (Yr. 11 Intervention coordinator) based in Learning Support or reception **no later than Monday 26th March.**

Pupils may attend in their own clothes and should bring with them a packed lunch as the kitchen will be closed. Pupils should meet staff in reception on arrival where they will be signed into school. To ensure safeguarding, pupils will be expected to attend for a whole session and will be unable to leave the building if on site for both the morning and afternoon sessions until the afternoon session is complete.

If you need any additional information regarding any aspect of the Year 11 intervention programme, please do not hesitate to contact us.

Please can you complete the below consent form and indicate on the chart which days and subjects your son / daughter will be attending.

Yours sincerely

Lisa Fraser
