# Class of 2020

## Yearbook

# Mrs Athawes

Deputy Head

Class of 2020

The culmination of any departure from school, until this year, has been a constant in the lives of millions of people; revision – examinations – relief – celebration – waiting – results – next steps. This was true for all the staff who have taught you, along with the thousands who have passed through this school before you. But then came your year. Wow!

The events you have witnessed and continue to be a part of are world changing. Living through historic moments stay with you and should be recalled and remembered with a sense of pride; 'I was there' 'I saw it happen' 'that was my year it happened to'. Whatever has happened should not define you; it is what you do with the opportunities that present themselves because of this time, that need to be embraced and looked forward too. So many of you have achieved so much during your time at Ercall Wood. You have become the best 'you'. You have become young people who make your parents proud; your school proud and most importantly you have made yourselves proud. The decisions you make to challenge yourselves; support others and enjoy what life offers are truly inspiring. The opportunities life can offer are out there; your qualifications are not the road map to the future but they are often the ticket to the next stage; they give you the 'fast pass' to move on, and it is a roller-coaster; the last 3 months have shown us that in rainbow technicolour!

Remember, to get on and be successful is down to you (and sometimes with a little help from 'Lady Luck') but ultimately and in the words of someone we all knew well, you should never look back with regrets and be a 'Shoulda; Woulda; Coulda!'

All the best to the Unique Class of 2020

Miss Athawes

## Key stage 4 pastoral lead Good Luck Class of 2020

Dear Year 11,

It has been an honour and privilege to watch you all grow from little people into fine young adults.

I can't believe time has gone so quickly, as they say time flies when you are having fun. I have so many fond memories: trips, Sports days, Wrekin walks, Halloween disco, Enterprise, Arthog and the list would continue. Now we mention Arthog, it was the best and most tiring week I have ever experienced. The girls next door may have had something to do with that!

I would like to thank the prefect team, you worked so hard and were dedicated to making change to the school. I know in the final few months you would have continued to make head way.

Also a massive shout out to your tutors! They have been absolutely amazing and I know so many of you have had great times in your form groups.

I am going to miss seeing your faces come September, you were and will always have a special place in my heart. If you ever need anything, don't ever hesitate to make contact.

*The Year of 2020*

*The year when you were quarantined!*

*You are amazing.*

*You are unforgettable.*

*You are unstoppable*

Mrs Morley-Addison

Well year 11- What a year!

It has been my absolute pleasure to get to know you all since September.

I have been so impressed by your maturity and resilience in dealing with the abrupt end to your last year here at Ercall Wood.

I have no doubt you will all go on to do amazing things in the future.

Wishing you all the very best in the future.

Mrs Rutter

# Mr Smithson

11 Red

Dear 11 Red,

Well where do I start?

This has to be the strangest way to finish your school life but I suppose it will be memorable and your year group will go down in history as the first year group to not take any exams!

It only feels like yesterday when I welcomed you into Ercall Wood in year 7. I remember going through your planner and you all looking at me not saying a word, apart from Maddie of course. Even Zeeshan and Cal-lum we're sitting quietly which was a rarity. Kyle would soon pipe up and start pointing at me and start a debate about trump or something. I used to love our first form room up in SEN and I still walk past it and think of that time we had together. I've got so many memories that I'll take with me forever and always make me smile. I'll never forget playing catchphrase and Alicia shouting out 'thorn in the arse'. Just brilliant. Sahrish's rap in year 8 that was just hilarious. Loved the effort you put into sportsday's and you were all so generous with charity days. I hope you look back at our form time and smile. Think of moody Smith-son and remember my values that I hopefully instilled into you. Look smart, be respectful, be prepared and set yourself high standards. If you keep to these then you won't go far in life. You might not believe this but I feel very lucky to have such a nice form and I do mean that. I'm so proud of all of you and if you ever need anything please email me on [will.smithson@taw.org.uk](mailto:will.smithson@taw.org.uk) depending on who emails me I'll try and help, haha.

Anyway, I'll hopefully see you very soon.

Take care, Mr Smithson

## Mrs Bowater & Mr Sayce 11 Yellow

A message for Year 11:

I can honestly say that the last two days before lockdown began were great fun for me as a drama teacher as I got to spend some real quality time with you lot. You were enthusiastic (without exception), calm (almost without exception) and an absolute joy. But it wasn't just that last few days! You have been the back-bone of my drive to establish Drama at Erccall Wood. You have been in all the productions. You have been a constant presence in the Department. You have smiled when I needed a smile, and worked when I needed you to buckle down. To say I will miss you in September is an under-statement.

So to all my drama lovelies – Keep safe. Look after yourselves and those you love. Please stay in touch and share all your successes. I would love to see you now and then.

And keep being dramatic!

Miss B.

Goodbye year 11, you have been a fab form to be with for the past four years. All of you have been fantastic, whether you have been with us from the start or welcomed in later into the school journey, you have become a great and well rounded young adults. I could not wish to have had a kinder, funnier, more straight-talking, helpful, amazingly (and reluctantly) sporty form that are always 100% always on time... Thank you for being my first form, each and every one of you. It has been a pleasure and a privilege to say that 8, 9, 10 and 11 Yellow are my form, you will be missed. Good luck for everything in the future and have fun! Mr. Sayce

# Mrs Bastow

11 G

My Dear 11 Green, what a strange finish to your secondary school studies!!! None of us would have thought we would have this situation last year, it feels like some weird futuristic movie.

I have watched you arrive in year 7 all shy, small and worried (well, some of you) but also excited about starting the “big” school. Over the 5 years you have grown and matured (most of you) into well rounded young adults and I think overall we all had some good and fun times together. I think we have learnt a lot from each other and some of us built really close student-teacher relationships.

I wish you all the best in your life and future.

Make sure all of your dreams come true and never give up on yourselves or on your dreams and ambitions.

Good luck for the future, Mrs Bastow”

## Mrs Purser & Mrs Evans 11 Blue

Hi guys!

Hope you are all well. My goodness, where have the last five years gone? It seems like no time at all that we all (or nearly all of us) met for the first time and I was welcoming you to Ercall Wood. Then we welcomed some more of us.

It has been a pleasure and a privilege to have known you and to call you my tutor group since Year 7. To have seen you grow, develop and mature over the years has been wonderful. I have always told my tutees that “we are all good at something” and you have proved me right. Your various talents have amazed me, whether they have been sporting, musical, literary, mathematical, scientific or in any other fields. Your willingness to give up your free time to participate in extra-curricular activities has been extraordinary. Your compassion and care for others has also been inspirational – remember winning the anti-bullying poster twice?

I shall remember you all, for various reasons, and I wish you all the best for the future. Your achievements at Ercall Wood have been impressive but I know that this is just the beginning for you and there will be even better things ahead for you.

Best wishes,

Mrs Purser.

## 11P

Dear 11 Purple

You have been the best tutor group I have ever had in my teaching career. You are all amazing, kind and supportive as a team.. I have always been so proud that you have taken part in activities and charity events when asked to.

Your attendance to school really showed with the amount of times we won the best attendance award, so you should all be very proud of your dedication to your school work. You are all stars and I will miss you all very much. I wish you all the very best for your future.

11T

Hello 11T members,

I cannot believe that this is your final year and am really sad that we have been unable to say 'good bye' properly. I am really proud of each and everyone of you; we have worked together no matter what! I have enjoyed greeting you each morning and sharing time with you – even in 'Life Skills' despite always dreading the thought beforehand! Then the many Sports Days when, despite not being a sporty class (me neither!), you all joined in and did your best. Remember those 5,000 metres that no-one wanted to do, but the brave stepped forward!- Oh, and me chasing the ones who had dodged into the ice-cream queue!

You also did all the extras I asked you to do- the Charity Collections, the Memory Tree, the Recycling Project . . . Plus our register monitors, Wise-Up monitors . . .

Will miss you all terribly. Do keep in touch! Have fun! And come to the prom.

Best Wishes,

Mrs J

I have loved every minute of watching you grow and mature in to the fine young adults you are becoming. For some of you, it has sometimes been a rocky path with a few pot holes along your journey and, although we have not had the end to year 11 we would have chosen, you can all hold your heads up high and be proud of how maturely and respectfully you have acted over recent months. I will sincerely miss seeing you all every morning and your 'have a lovely day Miss' attitude. Keep safe, stay in touch and all the best for the future. When we work hard, we can achieve great things.
