1. Aims

The Learning Community Trust is committed to providing a formidable educational experience within a safe and nurturing environment to all pupils. We believe that, if pupils are to benefit from education, punctuality and good attendance are crucial to them fulfilling their potential. However, attendance within our academies is far more than just an academic consideration. We recognise the nature of our pupils and as a result, believe that our attendance systems are our first line in safeguarding our young people and therefore a priority.

With that principle in mind, our academies' approach is to work in close partnership with our families to support a culture of attendance and safety, however, parents are responsible by law for ensuring the regular and punctual attendance of their children. Parents should familiarise themselves with this attendance policy and should work closely with our academy staff to overcome any problems which may affect a child's attendance.

If there are problems which affect a pupil's attendance we will investigate, identify, and strive, in strong partnership with parents and pupils, to resolve those problems as quickly and efficiently as possible. We will adopt a clearly focused approach, involving families fully, and outside agencies where appropriate, to ensure that pupils are in school. We appreciate that every family's circumstances are different, and we will always aim to work in partnership with you to find a solution for issues that arise.

We are committed to meeting our obligation with regards to school attendance through our whole-school culture and ethos that values good attendance, including:

- Promoting good attendance.
- Building strong relationships with families to ensure pupils have the support in place to attend school.
- Reducing absence, including persistent and severe absence.
- Ensuring every pupil has access to the full-time education to which they are entitled.
- Acting early to address patterns of absence and contacting families to discuss this.

We will also promote and support punctuality in attending lessons.

2. Legislation and guidance

This policy is based on the Department for Education's (DfE's) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#) and [school attendance parental responsibility measures](#). The guidance is based on the following pieces of legislation, which set out the legal powers and duties that govern school attendance:

- Part 6 of the [Education Act 1996](#)
- Part 3 of the [Education Act 2002](#)
- Part 7 of the [Education and Inspections Act 2006](#)
- [The Education \(Pupil Registration\) \(England\) Regulations 2006 \(and 2010, 2011, 2013, and 2016 amendments\)](#)
- [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013](#)

It also refers to:

- [School census guidance](#)
- [Keeping Children Safe in Education](#)

[Mental health issues affecting a pupil's attendance: guidance for schools](#)

3.2 The Headteacher/Principal

The headteacher/principal is responsible for:

- The implementation of this policy at their academy
- Monitoring school-level absence data and reporting it to governors
- Supporting staff with monitoring the attendance of individual pupils
- Monitoring the impact of any implemented attendance strategies

- Authorising the request of fixed-penalty notices, where necessary, and/or delegating attendance staff and the EWO to be able to do so

- Communicating with the local authority when a pupil with an education, health and care (EHC) plan has falling attendance, or where there are barriers to attendance that relate to the pupil's needs
- Communicating the school's high expectations for attendance and punctuality regularly to pupils and parents through all available channels

3.3 The designated senior leader responsible for attendance

The designated senior leader (also known as the 'senior attendance champion') is responsible for:

- Leading, championing and improving attendance across the academy
- Setting a clear vision for improving and maintaining good attendance
- Evaluating and monitoring expectations and processes
- Having a strong grasp of absence data and oversight of absence data analysis

- Delivering targeted intervention and support to pupils and families

The contact details for the designated senior leader responsible for attendance are to be found on the academy specific website.

3.4 The attendance officer

The academy attendance officer is responsible for:

- Ensuring that daily registers are completed accurately and on time by staff
- Administration of first day contact procedures and ensuring that absent pupils are discussed at the daily safeguarding briefing
- Monitoring and analysing attendance data (see section 7) and identifying areas of focus for improvement
- Providing regular attendance reports to school staff and reporting concerns about attendance to the designated senior leader responsible for attendance and the headteacher
- Escalating to, and working with, LCT Education Welfare Officers to tackle persistent and severe absence, which may include the use of statutory procedures and fixed penalty notices
- Issuing School Attendance Letters (SALs) to parents where it is felt that attendance may need support

The contact details for the attendance officer can be found on the academy specific websites

3.5 Class teachers/form tutors

Class teachers/form tutors are responsible for recording attendance accurately on a daily basis, using the correct codes (see Appendix 1), and submitting this information to the attendance officer

in a timely manner, to enable safeguarding procedures to be implemented in the case of unexplained absence. (Staff refer to appendix 2)

3.6 Academy staff

Administration staff working alongside the attendance officer will:

- Take calls from parents/carers about absence on a day-to-day basis and record it on the school system
- Transfer calls from parents/carers to other relevant staff to provide them with more detailed support on attendance
- The school Family Liaison Officer or another member of staff may call at the family home to offer support and to keep in touch with the pupil and family during periods of absence in line with this policy (Staff refer to appendix 2)

3.7 Parents/carers

Where this policy refers to a parent, it refers to the adult the school and/or local authority decides is most appropriate to work with, including:

- All natural parents, whether they are married or not
- All those who have parental responsibility for a child or young person
- Those who have day-to-day responsibility for the child (i.e. lives with and looks after them)

Parents are expected to:

- Make sure their child attends every day/timetabled session on time
- Call the school to report their child's absence before 8.30am on the day of the absence and each subsequent day of absence, and advise when they are expected to return
- Provide the school with more than one emergency contact number for their child
- Ensure that, where possible, appointments for their child are made outside of the school day
- Keep to any attendance contracts or action plans that they make with the school and/or local authority (Appendix 4)
- Seek support, where necessary, for maintaining good attendance, by contacting the relevant school staff as identified in the attendance pages of each specific academy's website

3.8 Pupils

Pupils are expected to:

- Attend school every day on time, prepared for learning, and attend each lesson on time throughout the day
- Work in partnership with school staff and parents to overcome any barriers to school attendance where appropriate

3.9 Learning Community Trust Education Welfare Officers (EWOs)

The EWO has a key role in ensuring the safety of our students through driving attendance improvements. The welfare aspect of the role is significant, and the relationships born from high level pastoral support of students and their families is of the utmost importance to the academy and LCT.

The EWO role examines so many areas that cross into other aspects of the school systems but ultimately the role is to challenge attendance and provide support to all stakeholders that leads to the desired improvement. In addition, the quality assurance of academy systems allows our EWOs

to appropriately challenge Senior Leadership in their approach to student attendance and safeguarding.

Each Learning Community Trust (LCT) academy has the support of an LCT EWO. The role of our EWOs considers all of the above statements and also includes the following:

- A solid understanding of the student/family for all our most vulnerable students, particularly those in severe and persistent absence
- Full engagement with students highlighted as being most vulnerable for attendance, and their families
- Oversee school actions and become involved in processes after a SAL2 letter has been issued
- Actively engage and work alongside external agencies to support all stakeholders
- To be present at Attendance Support Meetings (ASM) to support families and school staff to put in place the most appropriate plan that will lead to attendance improvements and support the pupil

4. Recording attendance

4.1 Attendance register

We will keep an electronic attendance register and place all pupils onto this register.

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark, using the appropriate national attendance and absence codes from the School Attendance (Pupil Registration) (England) Regulations 2024, whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See Appendix 1 for the DfE attendance codes.

We will also record:

- Whether the absence is authorised or not
- The nature of the activity, where a pupil is attending an approved educational activity
- The nature of circumstances, where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 6 years after the date on which the entry was made.

Each academy has its own arrival, start and end time as agreed at Trust level. Details of each specific academy arrival, start and end times can be found on their websites.

The registers for the first and second session throughout the academy day is detailed on the attendance pages of the specific academy website, as is the length of time for which the register is to be kept open.

4.2 Unplanned absence

The pupil's parent/carer must notify the school of the reason for the absence on the first day of an unplanned absence by 8.30am or as soon as practically possible by calling the school absence line (see also section 7). The parent must continue to call in each day to update school on any continuing absence.

(Staff refer to appendix 2)

We will mark absence due to physical or mental illness as authorised unless the school has a genuine concern about the authenticity of the illness. We may contact you by telephone or through a visit to gain more details about your child's absence and how we can support if appropriate. A member of academy staff or an Education Welfare Officer (EWO) may visit your home to offer support and to keep in touch with you and your child.

Where the absence is longer than 5 days or there are doubts about the authenticity of the illness, the academy may ask for medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily and will not ask you to pay for evidence.

If the academy is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised. We will endeavour to inform parents of this decision and will be happy to discuss the reasons for this.

4.3 Planned absence

Attending an unavoidable medical or dental appointment will be counted as authorised if the pupil's parent notifies the academy in advance of the appointment. An appointment card or letter may be requested. If you know that your child will be attending an appointment, please give details to a member of the attendance staff so that arrangements can be made to mark the register accordingly.

However, we encourage parents to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent must also apply for other types of term-time absence as far in advance as possible of the requested absence. Please go to section 5 to find out which term-time absences the school can authorise.

4.4 Lateness and punctuality

A pupil who arrives late:

- Before the register has closed will be marked as late, using the appropriate code (L)
- After the register has closed will be marked as absent, using the appropriate code (U)
- All academies to have a clear start of day welcome procedure
- Each academy is expected to analyse data for both late to the academy and late to registration to identify subgroups and drive appropriate interventions
- Use of the specific academy behaviour policy is to be applied for both late to the academy and late to registration
- Academies should strive to review individual circumstances through meetings with pupils and parents to identify issues and introduce interventions/action plans

4.5 Following up unexplained absence

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the academy will:

- Call the pupil's parent on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the pupil's emergency contacts, school staff may call at your home to check on your welfare in line with appendix 2. If this is unsuccessful, we may make referrals to other agencies including our Education Welfare Officer (EWO). See below.
- Identify whether the absence is approved or not
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session
- Call the parent/carer on each day that the absence continues without explanation to ensure proper safeguarding action is taken where necessary.

If absence continues, the school will consider involving an Education Welfare Officer (EWO). Each Learning Community Trust school has an EWO attached who provides additional advice, support and guidance to both schools and families. If we are unable to ascertain from you why your child is absent, we will take all necessary steps to do so. This may include contacting the Police, Family Connect, talking to friends and neighbours and other measures. **Safeguarding children is our priority, and we will do everything possible to ensure they are safe.** If we have not heard from you, please expect to hear from us.

- Where relevant, report the unexplained absence to the pupil's youth offending team officer
- Where appropriate, offer support to the pupil and/or their parents to improve attendance
- Identify whether the pupil needs support from wider partners, as quickly as possible, and make the necessary referrals
- Where support is not appropriate, not successful, or not engaged with, our academies will request a Notice to Improve, penalty notice or other legal intervention (see section 5.2 below), as appropriate.

4.6 Reporting attendance to parents

LCT academies will regularly inform parents of their child's attendance and absence levels; this can be seen daily through the MIS software, and through the use of regular progress reports. Parents are always advised to contact the specific academy to gain further information if they have any concerns.

School attendance staff will be happy to provide a copy of your child's attendance record should you require it. If your child's attendance is at a level where we feel we need to draw this to your attention, this will be done in one of the following ways:

- A letter called a SAL (School Attendance Letter) may be sent to you, notifying you of your child's attendance and inviting to you to contact us if you need support. A copy of their attendance will be enclosed.
- A member of staff or the EWO may telephone you to discuss your child's attendance and to offer you support if there are issues affecting attendance or barriers making it difficult for your child to attend.
- If the attendance continues to cause concern, you may receive a follow-up letter, a home visit or an invitation to come to an 'Attendance Support Meeting' where you can discuss any issues with relevant staff (may include the Attendance Officer, Senior Attendance lead, EWO or pastoral support staff) and work together on a plan to ensure that your child is able to maximise the opportunities available to them in school by attending daily. You may also be offered referral to other agencies, or asked if you would like to be supported through the Early Help process. Early Help is about identifying problems within families early, and providing proactive support, helping to ensure that families receive the right support at the right time.

- If a child's attendance remains unsatisfactory, further referrals may be made, depending on the situation. A referral may be made to Telford & Wrekin's Attendance Support Team, to Family Connect or to agencies who are best placed to support your child in overcoming any barriers to school attendance. We will discuss this with each family dependent on their own unique circumstances.

5. Authorised and unauthorised absence

5.1 Approval for term-time absence

The Headteacher/Principal will only grant a leave of absence to a pupil during term time if they consider there to be 'exceptional circumstances', considering the specific facts, circumstances, and the relevant context behind the request.

A leave of absence is granted at the Headteacher/Principal's discretion, including the length of time the pupil is authorised to be absent. There is no specific definition of 'exceptional circumstances' however if the leave is for something that could otherwise be organised during school holidays, it is very unlikely to be granted. A family holiday, or the cost of taking a family holiday being too expensive during school holiday periods, is not considered to be an exceptional circumstance.

Any leave of absence during term time can be disruptive both to the child's learning and to the school regardless of the reason for the leave. Schools will only consider authorising leave in term time where both:

- The application is made on schools 'Request for leave in term time' form, to the Headteacher/Principal in advance (at least 2 weeks prior to departure) of the leave by a parent the child normally lives with. The legislation does not allow for retrospective permission to be granted. The form can be requested from academy or is available on our website under 'Leave of Absence Request'. We recommend that trips are not booked until leave has been granted.
- There are exceptional circumstances, as agreed by the Headteacher/Principal for the leave, and in such circumstances the academy determines the length of any agreed leave in term time. If a child does not return to school on or by the agreed date, they will be at risk of losing their school place. The Headteacher/Principal may require evidence to support any request for leave.

Valid reasons for **authorised absence** include:

- Illness (including mental illness) and medical/dental appointments (see sections 4.2 and 4.3 for more detail)
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parents/carers belong. If necessary, the school will seek advice from the parents'/carers' religious body to confirm whether the day is set apart. We set our dates in accordance with guidance from Telford & Wrekin Council.
- Traveller pupils travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision.

Unavoidable family circumstances for which time off is agreed by school ie bereavement, funerals, family crisis and other unforeseen situations as deemed appropriate in discussions between families and school staff.

5.2 Sanctions

Our school will make use of the full range of potential sanctions – including, but not limited to, those listed below – to tackle poor attendance. Decisions will be made on an individual, case-by-case basis.

Penalty notices

LCT adopts the systems used by the local authorities which our academies are located. In Telford & Wrekin, the Local Authority (LA) can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age, by issuing a penalty notice.

Before issuing a penalty notice, the school and the LA will consider the individual case, including:

- Whether the national threshold for considering a penalty notice has been met (10 sessions of unauthorised absence in a rolling period of 10 school weeks)
- Whether a penalty notice is the best available tool to improve attendance for that pupil
- Whether further support, a notice to improve or another legal intervention would be a more appropriate solution
- Whether any obligations that the school has under the Equality Act 2010 make issuing a penalty notice inappropriate
- Refer to Shropshire Local Authority website for adaptations to the above (Severndale)

A penalty notice may also be issued where parents allow their child to be present in a public place during school hours without reasonable justification, during the first 5 days of a suspension or exclusion (where the school has notified the parents that the pupil must not be present in a public place on that day).

Each parent who is liable for the pupil's offence(s) can be issued with a penalty notice, but this will usually only be the parent/parents who allowed the absence.

The payment must be made directly to the local authority. If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

If issued with a **first** penalty notice, the parent must pay £80 within 21 days, or £160 within 28 days.

If a **second** penalty notice is issued to the same parent in respect of the same pupil, the parent must pay £160 if paid within 28 days.

A **third** penalty notice cannot be issued to the same parent in respect of the same child within 3 years of the date of the issue of the first penalty notice. In a case where the national threshold is met for a third time within those 3 years, alternative action will be taken instead.

Notices to Improve

If the national threshold has been met and support is appropriate, but parents do not engage with offers of support, the school may offer a Notice to Improve to give parents a final chance to engage with support.

Notices to Improve will be issued in line with processes set out in the local code of conduct for the local authority area in which the pupil attends school.

They will include:

- Details of the pupil's attendance record and of the offences
- The benefits of regular attendance and the duty of parents under [section 7 of the Education Act 1996](#)
- Details of the support provided so far
- Opportunities for further support, or to access previously provided support that was not engaged with
- A clear warning that a penalty notice may be issued if attendance does not improve within the improvement period, along with details of what sufficient improvement looks like, which will be decided on a case-by-case basis
- A clear timeframe of between 3 and 6 weeks for the improvement period
- The grounds on which a penalty notice may be issued before the end of the improvement period
- Refer to Shropshire Local Authority website for adaptations to the above (Severndale)

The Attendance Support Team at Telford & Wrekin can be contacted on 01952 385220. Shropshire Education Access Service can be contacted 01743 254397

6. Strategies for promoting attendance

The profile of attendance and its importance must be evident in the academy at all times. The culture of attendance has to be of the highest profile to ensure our children understand the intrinsic link between good attendance, safety and future life choices.

As a result, the academy has the following expectations:

Expectations of in school actions to improve attendance culture	
LCT non negotiable	Desirable
<ul style="list-style-type: none"> • All students know their current attendance and have a strategy to improve it • Monitors have a regular attendance presence • Culture of poor punctuality being challenged through a range of strategies • Posters in key areas to promote good attendance • Half termly parental contact as a part of newsletter to promote attendance • letters of congratulations, certificates for good attendance which may be taken home • recognition in assembly • the award of badges, merit, group/house points • the giving of prizes, class rewards such as mascots or a cup for the highest class or tutor group attendance. • recording attendance on reports sent home, with positive comments for effort • Facilitating Attendance Support Meetings and Attendance Panels in schools to invite parents to attend for a discussion specifically about school attendance. This panel may include the community school nurse or a school governor 	<ul style="list-style-type: none"> • Sending letters to parents whose child has 100% attendance • Recognising & rewarding most improved attendance where there is a history of poor attendance • sending children to senior members of staff for commendation for efforts made towards improvement as well as for full attendance

7. Supporting pupils who are absent or returning to school

7.1 Pupils absent due to complex barriers to attendance

LCT academies pride themselves on their inclusivity and as a result, the approach to pupils and families who face complex barriers to attendance. Ultimately, LCT academies will emphasise the importance of schools being a safe place, where pupils really want to be, with the right ethos, engaging curriculums and lessons that inspire each individual.

Key principles expected from all LCT academies are:

- Gain a full and clear understanding of the pupil/family circumstances
- Offer early help either through the academy offer or through the local authority pathways
- Consider and drive engagement of external agency support

- Monitor progress through effective action planning and provide opportunities to review impact and reassess.

7.2 Pupils absent due to mental or physical ill health or SEND

LCT academies recognise the barriers and the link between mental or physical illness and/or SEND. The key principles all LCT academies will apply are:

- Discuss the underlying reasons for absence with pupil and parents
- Ascertain the support required for both home and school to improve attendance
- Devise an action plan (with medical professionals if required) for all parties to drive accountability to ultimately improve attendance or ensure that the pupil has access to an appropriate education

Where a pupil has an education health and care (EHC) plan and their attendance falls, or the school becomes aware of barriers to attendance that related to the pupil's needs, the school will inform the local authority.

For pupils with 15 days recorded absence due to illness, our academies have a statutory duty to record this absence to the local authority. At this stage, academy staff and/or EWO teams will need to discuss the absence in more detail and may ask for medical evidence so that we can best support your child.

7.3 Pupils returning to school after a lengthy or unavoidable period of absence

LCT recognises that reintegrating pupils back into education following a lengthy or unavoidable period of absence, is challenging. Each academy will work to the following principles:

- Gain a full understanding of the historical issues that have led to absence
- Assess and understand the current barriers to reengaging in education
- Conduct a high-quality induction based on the knowledge gained from initial meetings; this is to include baseline testing
- Clear and concise action plan to reengage pupils into education with supportive interventions in place as appropriate
- Monitor and review the action plan at leadership level

8. Attendance monitoring

LCT academies hold attendance as one of the key factors in successful outcomes, but equally as important is the safeguarding aspect. We care deeply for our pupils, and we need to ensure that they are safe and well at all times.

As a result, we pride ourselves in going the extra mile to support our pupils and families with our first day and follow up approach. We will make key decisions on a daily basis on which pupil we will send our staff to visit to ensure that we offer both the child and the family the support they would expect from our academies.

LCT academies will:

- Monitor attendance and absence data daily, weekly, half-termly, termly and yearly across the school and at an individual pupil level as appropriate
- Identify whether there are groups of children whose absences may be a cause for concern

Specific pupil information will be shared with the DfE on request. The school has granted the DfE access to its management information system so the data can be accessed regularly and securely.

Data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics.

The school will benchmark its attendance data at whole school, year group and cohort level against local, regional, and national levels to identify areas of focus for improvement and share this with the governing body.

8.1 Analysing attendance

The academy will:

- Analyse attendance and absence data regularly to identify pupils, groups or cohorts that need additional support with their attendance, and
- Identify pupils whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence
- Conduct thorough analysis of half-termly, termly, and full-year data to identify patterns and trends
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

8.2 Using data to improve attendance

The academy will

- Develop targeted actions to address patterns of absence (of all severities) of individual pupils, groups or cohorts that it has identified via data analysis
- Provide targeted support to the pupils it has identified whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence, and their families (see section 8.4 below)
- Provide regular attendance reports to class teachers/form tutors to facilitate discussions with pupils and families, and to the governing board and school leaders (including special educational needs co-ordinators, designated safeguarding leads and pupil premium leads)
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies
- Share information and work collaboratively with other schools in the area, local authorities and other partners where a pupil's absence is at risk of becoming persistent or severe, including keeping them informed regarding specific pupils, where appropriate

8.3 Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school. Reducing persistent and severe absence is central to the school's strategy for improving attendance.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Consider potential safeguarding issues and, where suspected or present, address them in line with Keeping Children Safe in Education
- Hold regular meetings with the parents of pupils who the school (and/or local authority) considers to be vulnerable or at risk of persistent or severe absence, or who are persistently or severely absent, to:
 - Discuss attendance and engagement at school
 - Listen, and understand barriers to attendance

- Explain the help that is available
- Explain the potential consequences of, and sanctions for, persistent and severe absence
- Review any existing actions or interventions
- Provide access to wider support services to remove the barriers to attendance, in conjunction with the local authority, where relevant
- Consider alternative support that could be put in place to remove any barriers to attendance and re-engage these pupils. In doing so, the school will sensitively consider the reasons for absence
- Implement sanctions, where necessary (see section 5.2, above)

8.4 Elective Home Education (EHE)

The Learning Community Trust is committed to supporting our students and families through all aspects of their lives. The Trust consider EHE to be the very last resort in the educational journey and as a result will request a Multi-Agency Meeting (MAM) with families and engage with the Local Authority to help to ensure that the correct decision is made in the best interests of the child or young person.

9. Policy monitoring arrangements

This policy will be reviewed as guidance from the local authority or DfE is updated, and as a minimum every 2 years by appropriate LCT Director and Nikki Morrison, LCT Attendance & Welfare Team Leader. Annually, the policy will be approved by the full governing body of each specific academy.

10. Links with other policies

This policy links to the following policies which can be found on our academy websites:

- Child protection and safeguarding policy
- Behaviour and suspension policy
- Lone working policy
- LCT Staff to refer to attendance protocol
- SEND Policy

Appendix 2 – Attendance Tracking, First Day Contact and Attendance/Safeguarding Monitoring

Our academies have a robust understanding of their students and families. Using this knowledge is critical in making sure students attend and are, by default, safe. We use the information to create an agreed criteria that forms a tiered system to prioritise first day response by Academy staff.

The Academy follows the RAG protocol for first day response:

The **GREEN** and **AMBER** process is as follows:

- If no contact is received from the parents/carers of an absent pupil on the first morning of absence we will follow 'first day contact' procedures and aim to contact the parent by telephone
- The expectation for text messages/email to be sent to all absent student families is approx. 9.30
- The expectation for all phone calls to be made and logged on Bromcom for analysis is approx. 10.30
- Details of communication will be logged on BROMCOM and if appropriate CPOMs

The **RED** process is as follows:

- Phone call to be made around 9.30
- Details to be sent to the home visit driver/Family Liaison Officer around 9.45

The following criteria is to be used to define the RAG ratings of our students. Professional judgement may be used to adjust a students RAG rating but must be supported by external professionals and a risk assessment must be in place.

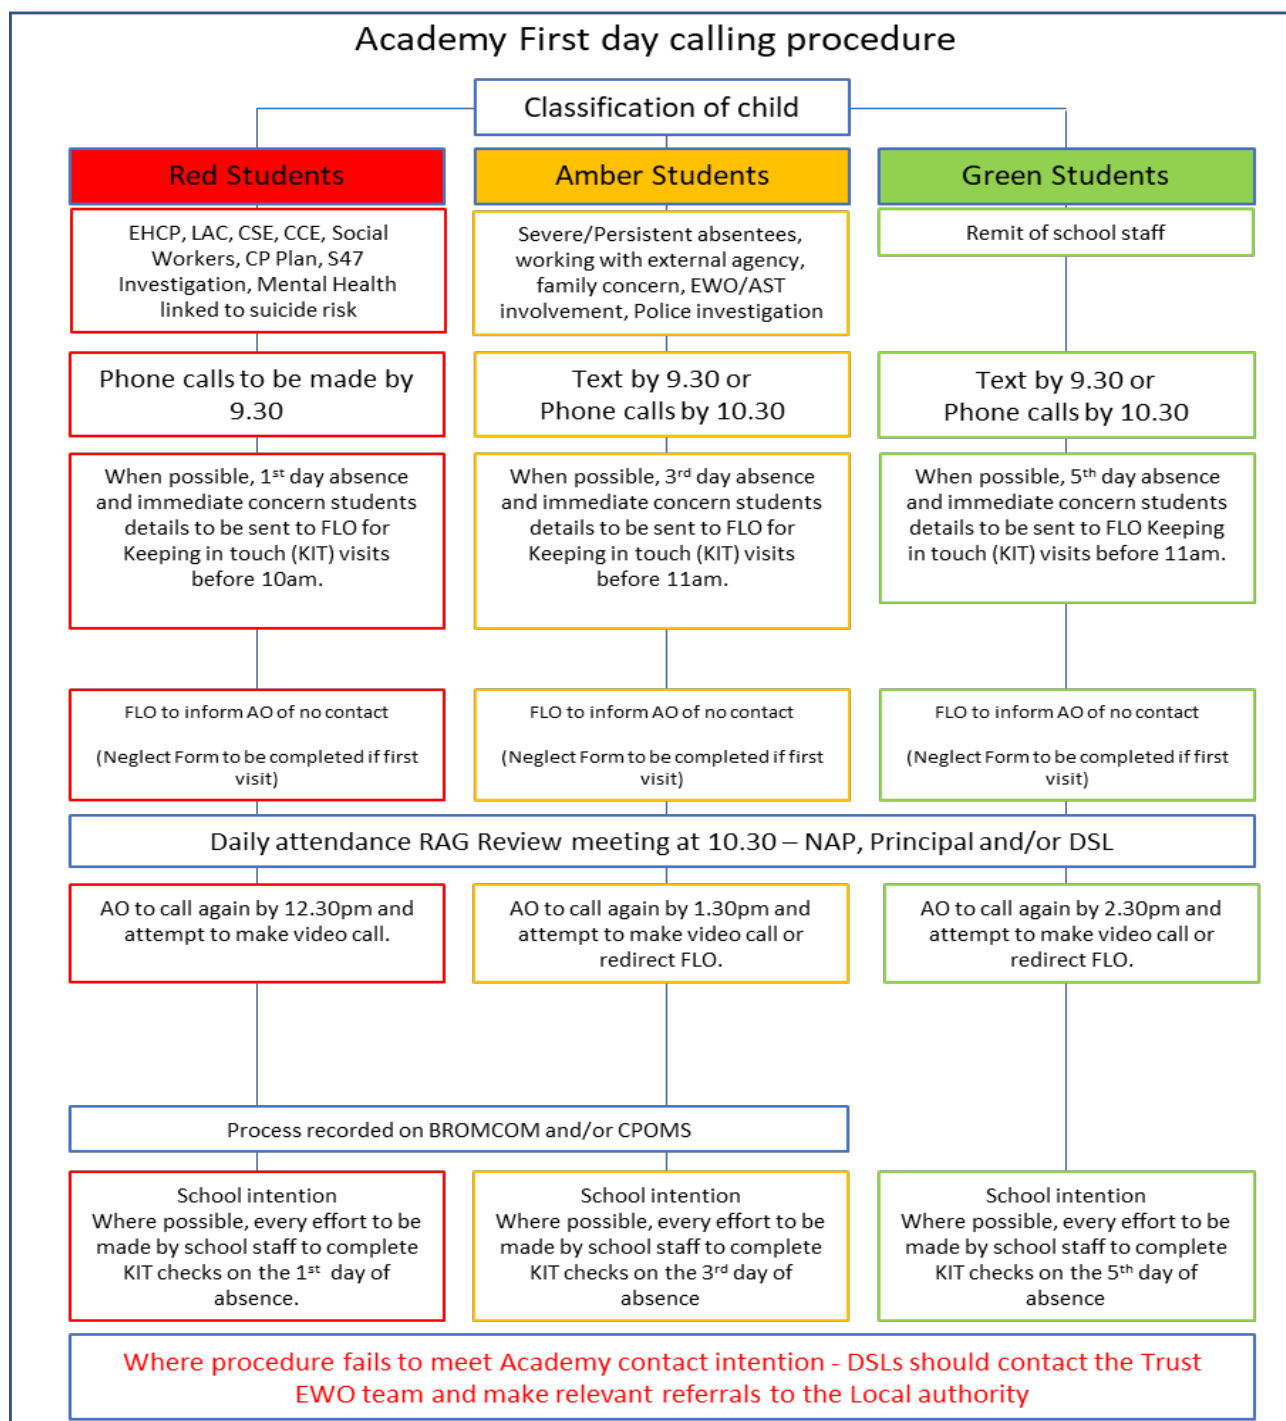

Student focus group	Definition/Criteria	Additional School Attendance Action All families will be contacted by school on first day of absence
RED** *** T&W – Complex/Acute	EHCP LAC CSE CCE Social Workers CP Plan S47 Investigation Mental Health linked to suicide risk (Family/pupil)	In addition to first day contact Academies will make every effort to make face to face contact with student and family every 1st day of absence. AMBER** T&W - Vulnerable	Severe and Persistent absentees Working with external agency Family concern	In addition to first day contact Academies will make every effort to make face to face contact with the student and family every 3 rd day of absence.

** Use LA threshold guidance and ensure all associated professionals are aware.

*** All students identified as RAG RED will have a full risk assessment (APPENDIX 3)

Appendix 2

Outcome of poor attendance (Specific student level)

Stage A

Some students will have accessed the SAL approach to attendance improvement in their previous educational setting with their parents being familiar with the process. However, we believe that we need to have high expectations and use national formal processes to support improved attendance.

As a result, Students under 95% will be reviewed and a decision made if School Attendance Letters (SAL) SAL1 is appropriate (Areas to consider: point in academic year, illness etc...). It will be the decision of the AO to send the SAL1 to parents where attendance is a concern

Academies' pastoral systems must work with the students in school to look at effective improvement targets

Stage B

The decision to escalate to a SAL2 letter should be decided 3 weeks following the issuing of the SAL 1.

The criteria for a SAL2 letter is the failure to improve significantly over the 3 week SAL1 period or for students who drop below 90%. AO can move to SAL2 before the student drops below 90% if they see no improvement over the first 2 weeks

Poor attending students moving in from a previous school needs to show 'sufficient' improvement since moving from their previous setting.

It is expected that the 'Attendance Officer (AO)' and EWO are fully aware of the individual student issue. The academy will expect the Education Welfare Officer (EWO), to provide and enforce further actions

At this stage, the student automatically becomes AMBER on the RAG system.

Stage C

If there is no significant improvement throughout the stage B process, there will be an invitation to the parents to an 'Attendance Support Meeting' (ASM) either in school or at the home. This important meeting should include a senior member of staff, parent, pupil and the AO and/or EWO. The aim of this meeting will be to identify and resolve the difficulties which are preventing the pupil from attending school. The parents/carers will be made aware of the legal requirements regarding school attendance

The Academy will support the pupil's re-integration where a pupil is returning to school after an absence of longer than two weeks. In the event of a pupil returning after a long-term absence then a 'Reintegration Plan' can be implemented. The plan should include all members of the school staff and will be designed to be as supportive of the pupils needs as possible. This plan will be subject to a 3-week review prior to possible escalation to the Attendance Support Team.

The Academy will always aim to provide early help advice and support to the family, undertaking an Early Help Assessment if appropriate and making a referral to Strengthening Families or other agencies if it is felt the family would benefit from additional support.

In order to ensure the success of this policy, every member of the school staff will make attendance a priority and convey to the pupils the importance of their education.
