Pastoral Ethos, Vision and Aims for our students at Ercall Wood Academy

Empower: We have the opportunity to control our destiny and make a real difference.

Respect: Respect for oneself, for others and for the environment.

Aspire: Believe in our potential because anything is possible with hard work, resilience, and determination.

The government has been promoting higher standards of uniform and the Local Authority, in partnership with schools, governors and unions has developed 'Guidance on Uniform and Dress Codes'.

The purpose of this guidance is to support the development of a uniform policy which is sensitive to the needs and beliefs of the whole community. Academies should act fairly and reasonably, bearing in mind their duties under the Human Rights Act 1998 and anti-discrimination legislation which are explained within this document.

It has always been our policy that all children wear uniform when attending the Academy or when participating in Academy-organised events outside normal Academy hours.

All efforts have been made to ensure that all uniform can be bought from a range of providers at affordable prices. We have kept the buying of named items to a minimum.

The Academy receives student premium funding for Pupil Premium students. It also has funding that may be used to subsidise the purchase of compulsory uniform, in cases of extreme hardship. Requests should be put in writing and addressed to your child's Pastoral Year Leader.

Academy uniform is compulsory for all students. Keeping to the dress code helps to avoid conflict arising from students identifying with particular groups and minimises any pressure to students from economic pressures. The emphasis is on a neat and tidy appearance so that students represent the Academy with pride and are a credit to the Academy. All items of uniform should be clearly marked with the student's name.

Aims

Our policy is based on the notion that uniform:

- Promotes a sense of pride in the Academy in line with our ethos;
- Engenders a sense of community and belonging towards the Academy;
- Supports positive behaviour and discipline;
- Is practical and smart;
- Identifies the children with the Academy and encourages identity with the Academy;
- Makes children feel equal to their peers in terms of appearance and helps nurture cohesion between different groups of students;
- Is regarded as suitable wear for the Academy and good value for money by most parents/carers.

PLEASE NOTE:

We understand that a minority of students push at the boundaries of uniform acceptability and parents can sometimes be left feeling somewhat unsure about the uniform required. We hope that this will confirm in a little more detail the exact requirements that we will be expecting from all students. It will be common practice to challenge students about their compulsory uniform and hope that this will help you to check that your child's uniform is current for Erccall Wood Academy and in good condition.

If a child in the Academy does not meet our uniform policy, then staff will work with them, and parents/carers to rectify their uniform so that it is in line with policy. If a child then continues to fail to rectify their uniform, our behaviour policy will be applied in response to non-compliance.

Continuous failure to adhere to the uniform policy will result in the following...

Form Tutors will:

- Contact family
- Set student detentions
- Record the event on Bromcom
- Remove from Academy trips and external visits

Pastoral Year Leader will:

- Meet with family
- Set student detentions
- Record the sanction on Bromcom
- Remove students from lessons and isolate until the matter is resolved

We would also recommend that it is prudent to label each item of clothing with your child's name as this avoids problems of clothing getting mixed up, particularly in PE changing rooms, and if mislaid it can be identified and returned quickly.

The Role of Governors

The Governors' support the Principal in implementing the Academy uniform policy. It considers all representations from parents/carers regarding the policy and liaises with the Principal to ensure that the policy is implemented fairly and with sensitivity. It is the Governors' responsibility to ensure that uniform

meets all regulations concerning equal opportunities. Governors ensure that the uniform policy helps children to dress sensibly in clothing that is hardwearing, safe and practical. See below for examples of acceptable uniform:
